Best Optical Care: Eye Surgeons & Consultants

You don't have to look very hard to see why this central Hollywood ophthalmology practice earned first place, with patient reviews like "compassionate professionalism" describing the practice. Specializing in "no stitch" cataract surgery, corneal and external eye diseases, diabetic eye care, glaucoma, "red eyes", LASIK, eyelid surgery and even, yes... Botox and Juvederm cosmetic treatments, this longstanding establishment aims to please. More good news is that emergency patients are always welcome and second opinions, general ophthalmology services and routine eye exams are common place. They even keep Sunday morning hours and walk ins are encouraged. The physicians, Dr. Alan D. Mendelsohn and Dr. Shareen Green-

baum come with the highest honors and distinctions.

Mendelsohn, A 22-year veteran, and Former President of Florida Society of Ophthalmology among other leadership positions, was voted one of South Florida's "Top Ophthalmologists." The younger Greenbaum focuses on ophthalmic plastics, Lasik and eyelid surgery as well as refractory surgery, cataract and intraocular lens implant surgery and general practice. Moreover, their optical shop, Emerald Eyes Optical stocks one of the largest selections in the area including Tiffany, Versace, Prada, and more.
